Bedtime Story Evening

On Wednesday (12th November) we will be holding a 'Bedtime Story Evening' at school from 6pm – 7pm. We would love as many children as possible to come along to school in their pyjamas for a story and hot chocolate!

While the children are enjoying their stories there will be an opportunity for you to learn more about our new outdoor play initiative with the leader of the OPAL programme, Michael Follett.

Please come along to find out more!

Dear Parents and Carers,

I hope you all had a restful holiday and are ready for the dark nights ahead. This is one of our busiest terms and we will be starting with the Launch of our 'Be the Best You can Be!' programme to Yr 1—6 children, this is one of the Olympic 2012 legacy initiatives designed to help children develop targets and aspirations. For this we will be joined by Stone with Woodford School.

The programme was started by Dr David Hemery CBE who excelled at athletics and was Olympic Champion and World Record Holder in the 400m hurdles and is based on his philosophy.... 'there is a spark of greatness in everyone'. The project will be introduced to the children by Mr Craig Figes (Captain of the GB Water Polo team) on Wednesday morning, there will be an opportunity to ask questions as well as starting their 'dream folder'. The programme is not solely looking at sports related activities and we are looking to encourage our children in all their interests, confident and aspiring children undoubtedly achieve more in all walks of life.

Please watch out for Dream files coming home and encourage the children to aim high. We all have to work hard to achieve our full potential, but it is undoubtedly the time we work the hardest to achieve a goal that give us the most satisfaction.

Regards
Alison Cooke
