Newsletter 15 - 07.06.17

Dear Parents/Carers,

Welcome to Term 6, the sun might have deserted our summer term but we will be packing the next few weeks with lots of summer activities.

We started this week with the Dursley District Swimming Gala and once again the children came back with the small school's relay trophy, well done to all our Yr 5 & 6 swimmers, they worked really hard.

This term will be full of sports events, trips and the school play. I have put the major dates and times on this newsletter and they are also posted on the website calendar. Staff will keep you updated on things coming up but if you are unsure and don't want to miss anything just ask.

Please could you remind your children that they still need coats for playing out, we do get outside as much as possible and are not deterred by a bit of rain. When the sun does appear, please apply sun cream before school and show your child how to reapply (we are not able to help all 113 children) and ensure your child has a hat for protection.

Regards
Mrs Cooke

Open classrooms sessions Term 6

This term we are running our OPEN CLASSROOM session on Friday 30th June with a MATHS theme. Parents are invited to learn the calculation methods their children have been using this year and then the ones they will encounter next year.

Year 5s are on an aerospace experience day but we will have children demonstrating year 5 methods for you to try out.

No calculators allowed!

FoSS Update

Slimbridge Sports & Fete

This Saturday 10th June from 1-4.30pm

Slimbridge Playing Field

Traditional sports day races, stalls, dog show and lots more.

FoSS are providing the BBQ for the event so please come and support us and join in the fun.

Book Fair

15th - 21st June

Our annual Book Fair starts next Thursday every day for a week from 3pm.

There'll be loads of the latest titles for all ages. Every book you buy allows the school to get a free book for the library!

We'll either be in front of the school or in the hall if it's raining.

Big Dig Weekend

24th & 25th June

We're preparing the playground for our new outdoor classroom to be built and are looking for handy volunteers to help with some clearing, digging, weeding and shed fixing. Any amount of time would be greatly appreciated - please see one of the FoSS team if you can help.

Thank you all for your support!
