

This Friday is the FoSS Movie Night!

The children are invited to stay after school and watch a movie with their friends.

We'll have choice of 2 films: Pan or Hotel Transylvania 2.

Tickets are £2.50 and this includes a bag of popcorn and a drink.

The movie night will start straight after school, meet in the hall. Parents are welcome to stay, (we'll have tea and coffee in the hall) or collect their children at 5pm.

Children can then choose which film they want to watch and be taken to the relevant classroom, parents will need to sign a consent form for the PG rated film.

Tickets will be available after school in the playground from Tuesday, or you can pay on the night.

Hope to see everyone there!

Dear Parents and Carers,

Many thanks to Mr Swift & Mr Meadows two of our intrepid governors for their work at the weekend building a sandpit. They were very ably assisted by Scout Network members from across Gloucestershire who work on community projects. They have done a fantastic job building a retaining fence and preparing the area for a delivery of sand. You will see some photos on the back of this newsletter and on our website. They are also very eager to come back and help us with our proposed 'small world area' so watch this space for further news.

We also need to say thank you to FOSS for buying the play sand. This should be delivered later this week and 'The Beach' will be open as soon as possible.

Regards
Alison Cooke

Parents are always welcome to attend the Friday Celebration Assembly in the hall at 2.30pm

The children in years 2 & 6 will be taking their SATs tests during the week beginning the 9th May. Year 2 & 6 parents have had an information booklet about the changes this year.

We try really hard to reduce pressure on the children because these tests are not life defining. However, it would be really useful if all children are well rested are in school promptly having had a good breakfast.

Children in years 3 and 5 will be taught out of their normal class groups and we may have to move playtimes etc. Normal service will resume after the tests are finished.

As the weather gets better and the number of children scooting and riding their bikes to school increases please ensure your child is safe on the pavement and is aware of other
