WE WON.

Many thanks to everyone who shopped in Tesco's and voted for Slimbridge School. We have been awarded the top funding towards our Outdoor Classroom.

Dear Parents and Carers,

December is one of our busiest times in school, juggling normal lessons around play practises, performances and extra events, so please watch out for extra information from class teachers regarding where children should be. All parents, carers and family are invited to the School Carol Concert at Slimbridge Church on Wednesday 14th December, no tickets needed.

Don't forget you have an opportunity to get into your child's class next week to look at books and see their topic displays. Each class will be open from 8.45—9.05, so please come in and talk to your child about their work and get them to show you around their class. Staff will be in classes to answer questions and share their pride in the children's achievements.

We are looking for five class reps to form a parents forum, we have focussed on communication this year and feel this would be a good way to form a pathway between parents and our governing body. If you would be interested in discussing this role please see Mrs Kiddle, who can be found in the playground near the Class 3 door. We will hold an Information Evening in January for all those who are interested.

I would like to thank all the parents, grandparents and helpers who have supported the school this year, we really appreciate everything you do for the children and school.

Regards

Lost Property

We will be displaying all the lost property outside the school over the next few days.

Second uniform can be rehomed with a small donation to the school.

We always try to return named uniform to children, so please name everything.
