

2017 Attainment

The children at Slimbridge Primary School are tested to allow direct comparisons between other children nationally in Year 1, 2 and 6.

Children in Reception are assessed against the Early Years Foundation Stage to achieve a “good level of development” a child needs to be at “expected” in communication and language, literacy and maths, personal social and emotional and physical development.

At the end of Year 1 children are tested on their Phonetic knowledge using both regular and nonsense words. This year we equalled the national level.
