

A day in the life of a dairy farmer

Farmer Ellie is always busy on her farm looking after her herd of cows. Trace the wiggly dotted lines with your finger to find out what she does at different times of the day.

Wake-up time

Ellie starts work very early!

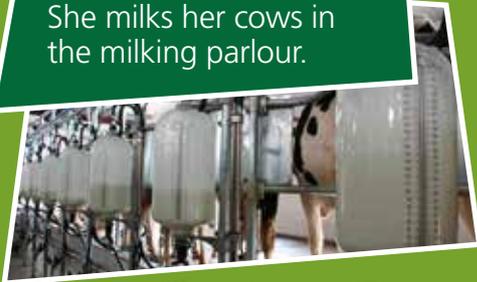

Cows out to graze

Cows head out to pasture or mooch around the shed.

Morning milking

She milks her cows in the milking parlour.

Afternoon milking

Ellie brings in the cows for milking again.

Bedtime

Ellie heads off to bed early, tired after such a busy day!

Milk tanker

The milk tanker arrives to take away the fresh milk to the dairy for bottling.

Office work

Time for Ellie to update milk records on the computer.

Farm chores

Ellie cleans out the milking parlour and refills the feeders.

Did you know?

Cows give us fresh milk to drink. Milk is also used to make cheese, cream, yoghurt, butter and yummy ice cream! Draw a circle around the dairy foods that you like!
