

Class 1 Learning Pack Help Guide

Week Beginning 8th February		
Possible Daily activities		
<p><u>PE</u> - Daily walks, bike rides, skipping, playing catch outside. Anything to get some fresh air!</p>	<p><u>Practice name writing</u>, Look at your laminated name card, then cover it up. Can you write your name using paper and pencil and remember all the letters in the correct order? Practise 3 times, remembering to start each letter in the correct place.</p>	<p><u>Reading Time</u> OxfordOwl online reading books Big Cat Collins Books, use Collins connect - BigCatCollins Username: parents@harpercollins.co.uk Password: Parents!21</p>

Fine motor skill practice to help with writing:

Cutting - using old toilet rolls make fun characters, you can paint them and the add on eyes and make cool hair!

Sensory tray - put rice or lentils onto a tray and draw different patterns on cards for your child to copy. Shake the tray and try another pattern.

Sensory Writing Tray

Handwriting Practise

<https://teachhandwriting.co.uk/print-letters-refining.html>

Use attached letter formation sheet or watch the visual videos using the links above and write on whiteboards.

Monday	Tuesday	Wednesday	Thursday	Friday
jjjjj	yyyyy	rrrrr	nnnnn	mmmmm

Monday

Phonics	Number Time	Literacy
<p>Recap of sounds and tricky words Follow the YouTube phonics lesson, reading and blending sounds taught so far and recapping the tricky words 'I' and learning a new one 'of'. Read the caption 'a dog at the vets'. Spell the word 'vets'. Follow link Phonics Monday</p>	<p>Number Time - Number 15 Quick starter - using the number cards (cut out sheet attached) order numbers 1-14. Ask: What comes after 14? 15 - this will be our number we will learn about today. It's a teen number. Watch Numberblocks 15</p> <p>Activity: complete the number 15 or complete the activity mat</p> <p><i>If 15 is too tricky? Then play NumberBud's Garden using BBC Bitesize - follow the link NumberBuds Garden Game</i> To challenge your child, see if they can count backwards from 15. Do they know 1 more than 15? 1 less than 15?</p>	<p>The Three Billy Goats Gruff Watch Mrs Baird model how to use and write describing words for the Troll. Using your phonics mat, have-a-go at choosing and writing your own words to describe the Troll. Troll labelling with Mrs Baird Use Troll description sheet attached</p>

Tuesday

Phonics	Number Time	Literacy
<p>Recap of sounds and tricky words Follow the YouTube phonics lesson, reading and blending sounds taught so far and recapping the tricky words 'the' and 'she'. Read the caption 'a quick fox in a box'. Spell the word 'king'. Follow link - Tuesday Phonics</p>	<p>Number 16 Quick starter - using the number cards order numbers 1-15. Recap the number 15 from yesterday and asks what number comes next? This will be our number we will learn about today. It's a teen number. Watch Numberblocks 16 Activity: Complete all about activity 16 sheet, writing 16 and drawing 16 strawberries. <i>If the number 16 is a bit tricky, try ordering the number cards- what number do you get to when ordering by yourself. Count out objects to match each number for example, put 4 objects onto the number 4 card. Point to the number that is 1 more than 5, or 3.</i> <i>Extra Challenge: Set up missing number sequences on the whiteboard. Can they fill in the missing number writing their teen number the correct way around? (see photo).</i></p>  	<p>The Three Billy Goats Gruff Watch Mrs Baird explain how the Troll has escaped from under the bridge so we need to find it. The best way is to make a Wanted Poster. Watch how to create your own Wanted poster and the key things you need to remember - a picture and a description. Draw and write your own wanted poster using the sheet attached. Troll sentences with Mrs Baird</p>

Wednesday

Phonics	Number Time	Literacy
<p>Recap of sounds and tricky words Follow the YouTube phonics lesson, reading and blending sounds taught so far. Recap the tricky words 'he', and 'we'. Read the caption 'a fish and chip shop'. Spell the word 'yes'. Phonics Wednesday</p>	<p>Number Time Quick starter - using the number cards order numbers 1-16. What comes next? Watch the episode of Numberblocks 17  Activity: Try making 15, 16 and 17 using your numicon tiles; using the ten and 5 tiles, ten and 6 tiles and ten and 7 tiles. Then, complete the I spy number 17 worksheet. <i>Finding number 17 tricky? Play a counting, matching and ordering number game online with ladybird spots</i> https://www.topmarks.co.uk/learning-to-count/ladybird-spots <i>Need a Challenge? Put objects 1-17 in a jar. Ask your child to estimate (we say this is a sensible guess) about how many they think there are. Use the following questions to encourage their reasoning skills. How many do you think there are? Why do you think that? Will it be more/less than 17? A lot more/less? Or a little more/less? Will it be between 10 and 17? A little or a lot more than this?</i></p>	<p>The Three Billy Goats Gruff Today you can choose to continue your Wanted poster by adding another sentence to describe the Troll. Or, you can design your own Troll trap to catch the escaped Troll. Watch Mrs Baird show you how to design it Troll Trap Complete the Design sheet attached and decide what your trap will be made out of and how you will trick the Troll to go inside it!</p>

Thursday

Phonics	Number Time	Literacy
<p>Recap of sounds and tricky words Follow the YouTube phonics lesson. Today recap the tricky words, 'me' and 'be'. Read the caption 'six vans in a ring'. Spell the word 'bell'.</p> <p>Phonics Wednesday</p>	<p>Quick starter - using the number cards order numbers 1-13. What comes next? Watch the episode of Numberblocks 18</p> <p>Activity: Complete number 18 worksheet, drawing 18 eggs!</p> <p style="color: orange;">Too tricky? Choose a selection of number cards 1-10, can you count out the correct number of objects to match the cards you have chosen?</p> <p style="color: purple;">Need a Challenge? Play 'whack a mole' an online game ordering numbers. What is the highest number you can get to?</p> <p>Whack a Mole</p>	<p>The Three Billy Goats Gruff Mr Guillain Lesson 6</p> <p>Watch Mr Guillain recycle the story and discuss new ideas - The Frilly Goats Gruff who have to give things to a dragon who likes shiny things. Children can either use Mr Guillain's ideas or create their own and begin making a story map to share their ideas.</p>

Friday

Phonics	Literacy	PSHE - Dreams & Goals
<p>Recap of sounds and tricky words Follow the YouTube phonics lesson. Recap the tricky words learned this week. Read the caption 'a cat with a long neck'. Spell the word 'long'.</p> <p>Phonics Friday</p>	<p>The Three Billy Goats Gruff Three Billy Goats Gruff Lesson 7</p> <p>Watch Mr Guillain retell his story using lots of fantastic descriptive language to make it such a fun new story. Today go over your own story map and think about the name for your characters and how you can better describe them and what they are doing, for example, saying skipped instead of walked. If you like you can share with us your new retelling.</p>	<p>This Sunday is February 14th - Valentine's Day. Discuss people you love and why you love them and then make a Valentine's Day card for someone you love. Here are some ideas you might like to try...</p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div>

More Ideas

- Join in with the BBC Happy Tent retelling of the Three Bill Goats Gruff [Happy Tent BBC Three Billy Goats Gruff](#)
- Design and make your own Troll or characters using paper plates or toilet rolls. Paint them and add eyes, ears and hair and horns!
